How to play

1. Print **double-sided** on **matte** paper (flip on the long edge).
2. Cut out the 6 cards.
3. Keep card 1 in your pocket.
4. Hide cards 2 to 6 around the house.
5. Open the game and note the hiding spots.

Tips

- ★ Good light, no glare on the card.
- ★ Hold the phone 20 to 30 cm above it.
- ★ Keep the card nice and flat.
- ★ Nothing is saved: the camera picture never leaves the phone.
